

1- What do you feel is the purpose of the church?

Note: Many feel that that the purpose of the church is worship, or for fellowship with other Christians, or outreach and service to the greater community, or personal spiritual growth, or a combination of all of these, or even other purposes. What do you feel is the purpose of the church?

2a- Why do you attend church?

2b- What are the key things you are looking for in a church?

3a- What originally attracted you to the Community Church of Poway?

3b. Are those the things that attract you now?

4. Several year ago, members of our church expressed a desire for a more contemporary worship style. To address this need, we began offering two services, one with a more traditional style of worship and one with a contemporary style of worship, with a Community Service once a month. How do you feel about that solution?

4b. Do you have any suggestions to offer for how we should proceed for the future?

5- What activities beyond Sunday worship are important to you and your family in your church experience? Some activities that are important for some people include:

- Children's Programs
- Youth Program
- Adult Program
- Fellowship Activities
- Spiritual Growth
- Other...

6- When you talk to someone about our church, what do you tell them? What have others told you about their church experience that might be useful for our church to consider.

7. Is there anything else you would like to add?
