**BASKET OF HOPE** School and art supplies are being collected for foster children. Take advantage of the back to school sales out there now and bring some things for kids who need help. They are also asking for the reusable bags offered by so many stores.

**CHAPEL SATURDAY NIGHTS** This Saturday at 6pm we will have a chapel worship service. Invite people who have never been in the chapel and come with them! There are cards in the office to hand out that give the 2 Saturdays in August when we will be doing this again. Take them and post them on bulletin boards, put them on cars or doors in your area.

**FRIDAY PRAYERS IN THE CHAPEL** We open the chapel from noon-1pm each Friday for an hour of prayer and meditation. This is open to the whole community—tell people to stop in.

**VISION TEAM** The people on the vision team are contacting people about their ideas for the mission of CCP. The questions they will be asking are on the web site (see above) if you want to see the questions ahead of time.

**VBS** This is the last Sunday for VBS. Children should arrive at 11am and will be done about 12:30. While children are in VBS parents can attend 11am worship and come in to eat with children at the end. Thanks to Kathy Poulin for leading VBS and her youth and adult helpers.

**PADRES** Thanks to the workers at last week's game—Mark, Vicki and Christopher Holland, George Andreos, Janet Weber, Candi Johnson and Barb Hass. We made over \$850 for the church!! We were back at Randy Jones BBQ/Rubio's and we really hustled all night.

We are still looking for a few more workers for Sat, July 31. We can take people who have not worked before and train you on the job! Workers report at 2:30. Contact Barb Hass to sign up.

**40<sup>th</sup> ANNUAL PIG IN THE PIT** Save the date Sat, Sept 25 for our annual all church fundraiser. We need LOTS of help! Captains are being assigned to areas and there will be sign up for workers in August. There are a few areas that still need captains so see Jeanette Roache if you can help be a leader. Tickets will be available in August for check out.

**INTERFAITH SUMMER NIGHTS** On Thurs, 7/29 there will be cultural performances. The group meets 6:45-8:30pm.

**SERMON PREVIEW** At 9:30 "Out of Our Element" based on Acts 17:22-31 and John 14:15-21. At 11am the theme is "Message of transformation—blindness to sight".
